Ah...

That was just a normal yellow butterfly ...

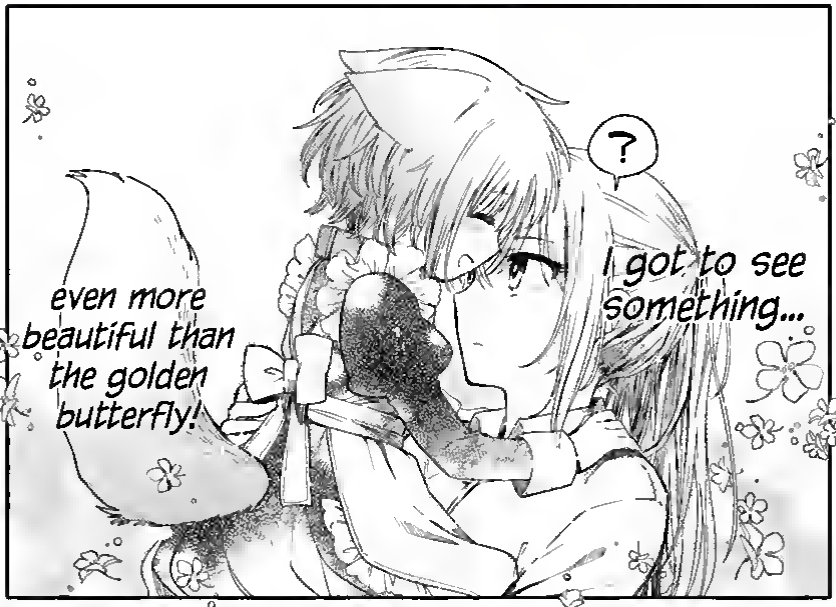
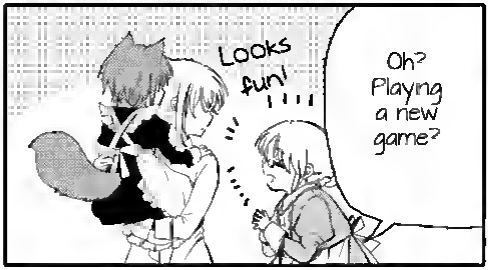
smile...
Looks like it's not that easy to see a golden butterfly.
!
Master smiled...!!



?
I got to see something...
even more beautiful than the golden butterfly!



Looks fun!
Oh? Playing a new game?

Master and Mel-chan
so you two were here
I brought some tea

So it was just an ordinary butterfly
what a shame
Yeah...

I must have been mistaken earlier...
It's a fairy tale after all...
how could there be a golden butterfly...
Master, I think Mel-chan saw the real golden butterfly
Don't you think so too?
nods
And that golden butterfly...
must have took winter along with it to a faraway place

■A new season brings along a little happiness...

See you next time
